3. **Press Spin.** Every spin is random and independent of the one before.

HOW THE FEATURES WORK

Bonus round and scatter. Once you have completed the 3 levels, the evidence symbol on the centre reel opens the second screen bonus round. The evidence symbol is also a scatter, and pays for two or more anywhere on the reels.

Free spins. To trigger the free spins, get all 5 suspects on the reels at the same time. You choose one of them and are given a special feature: the free spins doubled from 10 to 20, 1 to 5 random wilds, pays in both directions, a win multiplier, or a random wild reel.

QUICK ANSWERS

How do you trigger free spins on Who Spun It? Land all five suspects on the reels at once, then pick one to reveal the feature for the round.

Why do you need all 30 lines? Clues only appear when every line is in play.

PLAY IT SMART

- No slot is ever due. A long dry spell does not make a win more likely.
- Bigger bets do not change the odds of a win, only its size and the cost of each spin.
- The payout percentage is a long-run average, not a promise for one session.
- Play with money you can afford to lose, and take breaks.
