QUICK ANSWERS

How many free spins can you win on Green Light? 5 to 25, depending on where your car finishes in the race, with all wins doubled.

How do you trigger the race? Land three or more lights that stop on green.

PLAY IT SMART

- No slot is ever due. A long dry spell does not make a win more likely.
- Bigger bets do not change the odds of a win, only its size and the cost of each spin.
- The payout percentage is a long-run average, not a promise for one session.
- Play with money you can afford to lose, and take breaks.
