QUICK ANSWERS

How does the Zorro bonus work? Switch on the bonus bet, then spell Z-O-R-R-O across the five reels to win one of the bonus features.

Can you turn the Zorro bonus off? Yes. Without it the letters do not appear and the spin costs less.

PLAY IT SMART

- No slot is ever due. A long dry spell does not make a win more likely.
- Bigger bets do not change the odds of a win, only its size and the cost of each spin.
- The payout percentage is a long-run average, not a promise for one session.
- Play with money you can afford to lose, and take breaks.
