QUICK ANSWERS

How do the Hot Shot mini games trigger? Three or more mini slot scatter symbols start the Game in Game pays, with a different mini slot on each reel.

PLAY IT SMART

- No slot is ever due. A long dry spell does not make a win more likely.
- Bigger bets do not change the odds of a win, only its size and the cost of each spin.
- The payout percentage is a long-run average, not a promise for one session.
- Play with money you can afford to lose, and take breaks.
