QUICK ANSWERS

What are tumbling reels? Winning symbols explode and new ones fall in from above, so one spin can produce several wins.

How many free spins does Da Vinci Diamonds give? 6 to start, with up to 15 more each time three or more bonus symbols land.

PLAY IT SMART

- No slot is ever due. A long dry spell does not make a win more likely.
- Bigger bets do not change the odds of a win, only its size and the cost of each spin.
- The payout percentage is a long-run average, not a promise for one session.
- Play with money you can afford to lose, and take breaks.
