Retro Reels

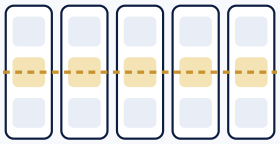

Classic Slots by Microgaming

The original Retro Reels slot machine

REELS	PAYLINES	PAYOUT (RTP)	TYPE
5	20	Not published	Classic Slots

THE REELS

5 reels and 20 paylines. A win is a row of matching symbols along a payline. The gold line shows one of them.

SYMBOLS TO WATCH

SCATTER
Pays with 2, 3, 4 or 5

FEATURES AT A GLANCE

Free Spins	10, 15, 20 or 25
Jackpot	$220,000

HOW TO PLAY

1. **Set your bet.** Total bet = bet per line × lines played. All 20 lines at 1¢ is $0.20 a spin.
2. **Open the paytable once.** It lists what every symbol pays and how the features start on that machine.
3. **Press Spin.** Every spin is random and independent of the one before.
4. **Watch for the scatter:** Pays with 2, 3, 4 or 5. Scatters usually count wherever they land.
5. **Know the bonus.** Special Feature: Respin Any Reel for a Fee.
6. **Set a limit before you start** and stop when you reach it, win or lose.

HOW THE FEATURES WORK

Respin. My favourite feature on Retro Reels is the respin. After a spin you can choose any reel and spin it again for a fee, as many times as you like. Be careful: the cost is sometimes as low as one cent but can go much higher, because the game prices each respin by what it could win.

Free spins. The free spin round is set off by the Free Spins symbols, and awards 10, 15, 20 or 25 free spins. The same symbol is the scatter, paying from two symbols up, with prizes from 2X to 100X.

WHAT ONE SPIN COSTS

1¢ a line	$0.20
5¢ a line	$1.00
25¢ a line	$5.00
$1 a line	$20

All 20 lines played. Bet sizes offered vary by machine.

AVERAGE COST OF 100 SPINS AT $1

At a 90% payout	$10
At a 92% payout	$8.00
At a 94% payout	$6.00
At a 96% payout	$4.00

This machine does not publish its payout, so a range is shown. A real session can end well above or below these.

QUICK ANSWERS

How does the respin work on Retro Reels? After any spin you can pay a fee to spin one reel again. The price changes with what that reel could win.

How many free spins can you win on Retro Reels? 10, 15, 20 or 25.

PLAY IT SMART

- No slot is ever due. A long dry spell does not make a win more likely.
- Bigger bets do not change the odds of a win, only its size and the cost of each spin.
- The payout percentage is a long-run average, not a promise for one session.
- Play with money you can afford to lose, and take breaks.
