# Thunderstruck II

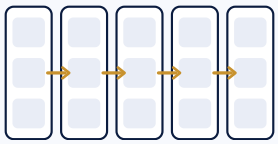

Video Slots by Microgaming

The original Thunderstruck II slot machine

| REELS | WAYS TO WIN | PAYOUT (RTP) | TYPE |
|---|---|---|---|
| 5 | 243 | Not published | Video Slots |

## THE REELS

243 ways to win on 5 reels. You do not pick lines: matching symbols on neighbouring reels, starting from the left, make a win.

## SYMBOLS TO WATCH

SCATTER

Thor's Hammer, 3 to 5

## FEATURES AT A GLANCE

| | |
|---|---|
| **Free Spins** | Four Rounds: Valkyrie, Loki, Odin and Thor |
| **Random Feature** | Wildstorm |

## HOW TO PLAY

1. **Set your bet.** There are no lines to choose. One bet covers every way to win.
2. **Open the paytable once.** It lists what every symbol pays and how the features start on that machine.
3. **Press Spin.** Every spin is random and independent of the one before.
4. **Watch for the scatter:** Thor's Hammer, 3 to 5. Scatters usually count wherever they land.
5. **Know the bonus.** Bonus Round: The Great Hall of Spins.
6. **Set a limit before you start** and stop when you reach it, win or lose.

## HOW THE FEATURES WORK

**Wildstorm.** At random in the base game, the Wildstorm can turn up to all five reels wild for one spin.

## AVERAGE COST OF 100 SPINS AT $1

This machine does not publish its payout, so a range is shown. A real session can end well above or below these.

## QUICK ANSWERS

**How does the Great Hall of Spins work?** Three or more hammers open it, and its four free spin rounds unlock in order the more times you trigger it.

**What is Wildstorm?** A random feature that turns up to five reels wild.

## PLAY IT SMART

- No slot is ever due. A long dry spell does not make a win more likely.
- Bigger bets do not change the odds of a win, only its size and the cost of each spin.
- The payout percentage is a long-run average, not a promise for one session.
- Play with money you can afford to lose, and take breaks.
