QUICK ANSWERS

How do you win the Treasure Nile jackpot? Bet the maximum on all 9 lines and land five King Tut symbols on the 9th payline.

Is there an Egyptian jackpot slot I can play instead? A Night With Cleo has an Egyptian theme and a progressive jackpot, and it also comes in a Hot Drop Jackpots version.

PLAY IT SMART

- No slot is ever due. A long dry spell does not make a win more likely.
- Bigger bets do not change the odds of a win, only its size and the cost of each spin.
- The payout percentage is a long-run average, not a promise for one session.
- Play with money you can afford to lose, and take breaks.
