QUICK ANSWERS

How do the shifting reels work? After each win the reels move one place to the right and a new reel spins in for free, with a multiplier that climbs to 5X.

How do you trigger free spins on Robin Hood? Collect four money bags in the chest under any one reel.

PLAY IT SMART

- No slot is ever due. A long dry spell does not make a win more likely.
- Bigger bets do not change the odds of a win, only its size and the cost of each spin.
- The payout percentage is a long-run average, not a promise for one session.
- Play with money you can afford to lose, and take breaks.
