HOW THE FEATURES WORK

Power Stars slot overview. Power Stars is a Novomatic fruit slot with 5 reels and 10 paylines. The symbols are the fruit machine classics: cherries, lemons, oranges, plums, grapes, watermelon, bells and red sevens.

The star wild and respins. The star is wild and appears on the three middle reels. When one lands it expands to cover the whole reel, the wins are paid, and then that reel is held in place while the others spin again for free.

Gamble feature. After any win you can gamble it on the turn of a card. Guess red or black correctly and the win is doubled. Guess wrong and it is gone.

QUICK ANSWERS

How does the wild work in Power Stars? The star expands to cover its reel on reels 2, 3 and 4, then holds in place for a free respin.

Does Power Stars have free spins? No. Its only feature is the expanding star wild with respins.

PLAY IT SMART

- No slot is ever due. A long dry spell does not make a win more likely.
- Bigger bets do not change the odds of a win, only its size and the cost of each spin.
- The payout percentage is a long-run average, not a promise for one session.
- Play with money you can afford to lose, and take breaks.
