QUICK ANSWERS

How do you win the Gladiator jackpot? Trigger the Jackpot Bonus with three wild helmets, then reveal nine gold helmets.

How does the Coliseum Bonus work? You pick one stone from each of four rows to set your free spins, multiplier, extra scatters and extra wilds.

PLAY IT SMART

- No slot is ever due. A long dry spell does not make a win more likely.
- Bigger bets do not change the odds of a win, only its size and the cost of each spin.
- The payout percentage is a long-run average, not a promise for one session.
- Play with money you can afford to lose, and take breaks.
